### TEAM MEMBER SUPPORT

#### **65001 CHE Team Member Assistance (formerly The Employee Assistance Fund)**

Supported solely by We Give Campaign gifts, this fund lends a helping hand to team members at a time of financial need resulting from a personal crisis or catastrophic event. Available to both part-time and full-time team members in good standing, all inquiries and assistance are provided confidentially.

#### **81098 CHE Team Member Scholarships and Education**

Supports continuing education assistance to Corewell Health East team members. While community donors have created many scholarship endowments, this annual fund is truly team members helping team members by enhancing recruitment and retention, and career advancement opportunities.

#### **81099 CHE Bwell – Your Team Member Wellness Program**

Bwell implements innovative team member wellness initiatives and programs throughout the year that creates conditions for team member well-being and a healthy culture at work.

#### **666715 CHE Physician Wellbeing and Professionalism Program**

The program seeks to expand its roster of services to meet the growing needs of our clinical teams. Goals include addressing the stigma of asking for and seeking help, overcoming burnout, cultivating personal resilience, building a thriving physician community, and creating and maintaining a culture of well-being. Funds raised will invest in staff, programming, and research opportunities.

---

## CLINICAL PROGRAMS & SERVICES

### **81004 CHE Alzheimer's**

Supports training for staff, capital and minor equipment, renovations and patients and family support.

### **65043 CHE Center for Mindfulness**

Support for the center will help it expand services and support in helping our care providers effectively manage stress and improve mental health. Efforts will be focused on mindfulness-based stress reduction, to reduce physical and psychological suffering while building resilience, balance and peace of mind. Funds raised will help cover operational costs, staffing and program support to reach additional team members and patients.

### **65020 CHE Endocrine Center - Diabetes, Obesity, Research**

Supports patient care in the areas of diabetes and obesity. In addition, it supports research and education of clinical staff in these and related areas.

### **65021 CHE Endocrine Center - Osteoporosis, Thyroid/Hormonal Disorders**

Supports medical issues related to the endocrine system, such as osteoporosis; overactive and underactive thyroid diseases; and hormonal disorders like adrenal insufficiency and Cushing's disease. Gifts also support research and education for clinical staff regarding these diverse conditions.

### **66610 CHE Transplant Center & Patient Support**

Transplant patient expenses; patient/family education and outreach; continuing medical education for nephrologists and dialysis providers.

### **66613 CHE Geriatrics**

Provides education, equipment and other activities and support for geriatric staff.

### **66627 CHE Children's Miracle Network (CMN) at Beaumont Children's**

Children's Miracle Network (CMN) provides funds for pediatric programs throughout Corewell Health East as part of Beaumont Children's. One hundred percent of your contribution stays at Corewell Health East to fund leading-edge technology, life-saving pediatric programs, and special services for our youngest patients. Twice each year, a committee of Beaumont Children's leaders review grant requests from across the system and award funding based on need and available funds.

### **64200 CHE Cancer Program, Troy**

Supports those who have been diagnosed with cancer individualized care focusing on exercise, nutrition and support groups through Corewell Health Hospital, Troy's Cancer Survivorship Program. This fund also supports the general oncology needs at Corewell Health, Troy.

### **81093 CHE Center for Exceptional Families (CEF) - Dearborn**

The CEF meets the distinct medical and therapeutic needs of children with special needs or life-threatening injuries, and provides educational, recreational, and social support. The CEF is one of only a few places in the country where children and families have access to the best-in-class programs, educational, social, and recreational support, a multidisciplinary medical team, and comprehensive, compassionate care – all under one roof.

**68312 CHE Center for Human Development**

Supports providing services for children with neurodevelopmental challenges by defraying the cost of evaluations and providing resources for children with developmental issues such as autism, intellectual/cognitive disabilities, and learning disorders.

**81082 CHE Children's Outreach Programs – Dearborn, Wayne, Trenton**

Supports the unmet needs of children/pediatric programs at Corewell Health Hospitals in Dearborn, Wayne, and Trenton. Children's outreach programs include back-to-school programs for backpacks and school supplies at some of our clinics.

**66304 CHE Children's Speech Treatment Scholarships – Lion's Club Speech Pathology**

Supports treatment for children whose families cannot afford outpatient speech pathology services.

**81070 CHE Heart (Cardiology) - Dearborn, Trenton, and Wayne**

Supports Heart and Vascular programs and services offered at Corewell Health Hospitals in Dearborn, Trenton, and Wayne. It includes education opportunities for nurses, physicians and clinical staff, and cardiac rehabilitation programs for faster healing and recovery.

**64704 CHE Heart (Cardiology) - Grosse Pointe**

Supports the unmet needs of the Cardiology Program, Grosse Pointe, such as patient and staff education programs, equipment needs and research to advance cardiac care and services.

**66677 CHE Heart (Cardiology) - Royal Oak**

Supports the unmet needs of the Heart and Vascular Center of Excellence, such as patient and staff education programs, equipment needs and research to advance cardiac care and services.

**64206 CHE Heart (Cardiology) - Troy**

Supports the unmet needs of the Cardiology Program, Troy, such as patient and staff education programs, equipment needs and research to advance cardiac care and services.

**88023 CHE Heart & Vascular Fund - Farmington Hills**

Supports innovations, treatments and technologies needed for heart patients.

**81094 CHE Neonatal Intensive Care Unit (NICU) - Dearborn**

Support the unmet needs of the Corewell Health Hospital, Dearborn NICU.

**66151 CHE Neuroscience Center of Excellence - Royal Oak**

Gifts support the unmet needs of the Neuroscience Center of Excellence, such as patient and staff education programs and equipment to advance neuroscience care and services. Funds may also be used for Corewell Health's stroke program, which includes leading-edge medical treatment, outstanding stroke rehabilitation services and stroke-prevention education programs for patients.

**66601 CHE Oncology Services Program - Royal Oak**

Supports unmet needs of the oncology services program including patient care, education for patients/staff, equipment, supplies and resource materials, etc.

**68317 CHE Orthopedic Department - Royal Oak**

Supports research, education, technology, and the unmet needs of the Orthopedic Department.

**66649 CHE Pathology/Laboratory Department Education - Royal Oak**

Supports educational needs of the pathology and laboratory medicine department.

**66616 CHE Pediatric Rehabilitation – Royal Oak**

Supports program costs and therapist education for PT and OT pediatric rehab, including Bike Day.

**66509 CHE Pediatric Rehabilitation Scholarship - Royal Oak**

Supports individual or group therapy costs for selected outpatient pediatric rehab (OT/PT) patients whose families are unable to afford needed services.

**81138 CHE Physical Medicine & Rehabilitation - Taylor**

Supports the growth of our specialized inpatient rehabilitation facility and outpatient services, new and expanded programs and services for patients with traumatic brain injuries, orthopedic conditions, musculoskeletal disorders, and those recovering from stroke and injury. Also includes training for residents, nurses, clinicians and therapists, and community education, outreach, and wellness/fitness.

**66720 CHE Karmanos Natural Birth Center – Royal Oak**

Supports natural childbirth and breastfeeding help to new mothers at your site. Women who have come to trust Corewell Health for outstanding obstetrical, neonatal, and pediatric care can now give birth naturally in a safe, welcoming, and supportive environment surrounded by excellent physicians and specially trained caregivers.

**81161 CHE Women's Program - Dearborn, Trenton, Wayne**

Supports expansion of Women's programs and services offered at Corewell Health Hospitals in Dearborn, Trenton, and Wayne. It includes enhancements to our comprehensive regional breast care program with innovative equipment, facilities and technology and personalized service through Nurse Navigation to support women on the journey from diagnosis through treatment to recovery.

---

**PATIENT SUPPORT**

**66607 CHE Adult Outpatient Speech Pathology - Royal Oak**

Provides treatment scholarships for patients to continue speech and language rehabilitation.

**66723 CHE Animal-Assisted Therapy**

Supports the Animal-Assisted Therapy program at Beaumont Children's administered by the hospital's certified child life specialists. The program helps hundreds of young patients each year cope with the stress and anxiety of hospitalization through interactions with furry, four-legged volunteers. The therapy is a goal-directed intervention designed to improve human physical, social, emotional, and/or cognitive functioning.

**65003 CHE Bridge to Hospice Program**

Supports our palliative consultation program for patients that are hospice criteria appropriate but wish to continue with their curative care. These patients have advanced illnesses and are being transitioned

to hospice. The focus of the program has been to offer free, community-based services staffed by home health aides that support the philosophy of maintaining patients in their home.

**81066 CHE Cancer Center Patient Care - Farmington Hills**

Assists with health-related expenses not covered by insurance or other programs.

**81067 CHE Cancer Programs - Dearborn**

Supports enhancing patient care including purchasing equipment, programs, patient needs and continuing education of staff of the cancer programs.

**64705 CHE Grosse Pointe Spiritual Care Fund**

The Grosse Pointe Spiritual Care Fund supports the unmet needs of the chapel/healing garden while also sustaining the spiritual, emotional, and physical well-being of the patients and families we serve by funding capital projects and other initiatives to enhance and enrich their care.

**65022 CHE Quality & Safety Enhancements**

Supports patient safety and quality enhancements and other unmet needs of the program

**66635 CHE Chapel Fund – Royal Oak**

Supports the unmet needs of the spiritual care program at Corewell Health, Royal Oak.

**66704 CHE Imaging Services - Royal Oak**

Gifts support the unmet needs of the Imaging program, including continuing educational initiatives for team members. Many of these initiatives have no other source of funding, so gifts are vital.

**66660 CHE Integrative Medicine - Royal Oak**

Provides general program support and financial assistance for many vital services not covered by insurance, including clinical massage therapy, acupuncture, gentle yoga, meditation, and naturopathy for management and symptom relief. All are evidence-based modalities that support traditional care.

**66714 CHE Patient Legal Support**

Patient Legal Support is a free, legal assistance program designed to improve the health and welfare of Corewell Health patients and their families. The program addresses a variety of legal issues that affect the health and well-being of our patients.

**66505 CHE Patient Resource Fund (System-wide)**

Gifts are targeted to assist qualified patients in obtaining healthcare needs such as filling prescriptions after an inpatient hospitalization or a medical condition or surgery. Funds are available to cover other needs such as durable medical equipment, home health care services, IV antibiotics administered in a home setting, transportation, medical supplies, and other types of care that the patient may not be able to access on their own. Scholarships are also provided for qualified needy patients.

**67301 CHE Petrovich SRNA Scholarships/Education Fund**

Supports annual scholarship awards and educational initiatives for qualified candidates.

**66604 CHE Speech and Language Pathology - Royal Oak**

Provides scholarship aid to people who otherwise could not afford to continue speech and language treatment. The fund also supports staff education, equipment, and other needs of the department.

**81152 CHE Spiritual Support Services – Dearborn, Taylor, Trenton, Wayne**

Supports services for the emotional and spiritual needs of our patients, families and staff at Corewell Health Hospitals in Dearborn, Taylor, Trenton, and Wayne, aligned with their personal faith experience. It also supports communication education and outreach for grief, loss, and end-of-life decisions.

**66745 CHE Therapeutic Music Program (System-wide)**

Supports therapeutic music programs at all eight hospitals for patients, families, and team members.

---

**NURSING EDUCATION/NURSE GIVING**

**81118 CHE Nurse Giving Society/Nursing Education (System-wide)**

Supports the traditions and causes important to nursing professionals. Contributions are used for continuing education/nursing scholarships for our valued care-givers system-wide.

**81162 CHE Nurse Giving Society Fund - Dearborn**

The Nurse Giving Society supports traditions and causes important to nursing professionals. Funds are used for continuing education/nursing scholarships disbursed by Dearborn nursing leadership.

**88025 CHE Nursing Education Fund - Farmington Hills**

The Nurse Giving Society supports traditions and causes important to nursing professionals. Funds are used for continuing education/nursing scholarships disbursed by Farmington Hills nursing leadership.

**64718 CHE Nurse Giving Society/Nursing Education - Grosse Pointe**

Supports traditions and causes important to nursing professionals. Funds are used for continuing education/nursing scholarships disbursed by Grosse Pointe nursing leadership.

**67314 CHE Nurse Giving Society/Nursing Education - Royal Oak**

Supports traditions and causes important to nursing professionals. Funds are used for continuing education/nursing scholarships disbursed by Royal Oak nursing leadership.

**81163 CHE Nurse Giving Society Fund - Taylor**

Supports traditions and causes important to nursing professionals. Funds are used for continuing education/nursing scholarships disbursed by Taylor nursing leadership.

**81164 CHE Nurse Giving Society Fund - Trenton**

Supports traditions and causes important to nursing professionals. Funds are used for continuing education/nursing scholarships disbursed by Trenton nursing leadership.

**64400 CHE Nurse Giving Society/Nursing Education - Troy**

Supports traditions and causes important to nursing professionals. Funds are used for continuing education/nursing scholarships disbursed by Troy nursing leadership.

**81165 CHE Nurse Giving Society Fund - Wayne**

Supports traditions and causes important to nursing professionals. Funds are used for continuing education/nursing scholarships disbursed by Wayne nursing leadership.

## HEALTHY COMMUNITIES

### **81154 CHE Adolescent/Teen Health Centers**

Supports adolescent health centers across Corewell Health East focusing on health promotion and risk reduction, as well as general medical care, counseling, immunizations, and managing chronic illnesses. Also provided are peer education, after-school and summer programs, and counseling and testing.

### **65015 CHE “Takes a Stand” Against Domestic Violence in memory of Laura Tanner**

The fund was established in memory of Laura Tanner who worked at Corewell Health Hospital, Taylor It will provide emergency assistance to survivors of domestic violence to help get them started on their journey to wellness.

### **81088 CHE Community Benefit Programs /Healthy Communities**

Supports community outreach initiatives that align with the annual community health needs assessment. These vital programs and services benefit patients, team members and community members throughout our entire service area. Programs include healthy communities, heart health screenings, diabetes education and obesity prevention. The fund also supports other community benefit programs including needy patient programs.

### **66721 CHE Ingber Africa/International Trip**

Your gifts help to change and improve the lives of people in Africa or other impoverished destinations. Each year, Drs. Peters and Sirls and their team have taken life-changing medical treatment to the men, women, and children of Africa, while facilitating an invaluable learning experience for Corewell Health urology residents.

### **66709 CHE NoBLE Anti-bullying Program**

Supports NoBLE (No Bullying, Live Empowered) which provides community outreach programs and support to children, families and schools concerning bullying-related incidences. NoBLE also works to engage and unify healthcare providers in bullying prevention/intervention efforts on a national level.

### **66617 CHE Older Adult Services/Helping Hands**

Supports subsidized transportation to medical appointments and treatment, and companion services for financially disadvantaged patients in the communities we serve. The program helps seniors (most are over the age of 80) who are trying to maintain independence at home and cannot afford these much-needed services.

### **66697 CHE Student Heart Check**

Your gift will save lives. Every year high school students die from sudden cardiac arrest due to abnormal heart structure or abnormal rhythms. Corewell Health East holds free community screenings on an ongoing basis that help young people detect problems and learn if medical care is needed.

---

## MEDICAL EDUCATION

**66153 CHE Marcia & Eugene Applebaum Simulation Learning Center**

Supports the unmet needs of the Surgical Learning Center.

**65016 CHE Resident & Fellow Education**

Funds educational efforts of residents and fellows across the system.

**66653 CHE David A. Brinton OB/GYN Medical Education Fund, Royal Oak**

Supports the unmet educational needs of residents, fellows, and physicians in obstetrics, gynecology, and infertility.

**69811 CHE Emergency Medicine Education Endowment**

Gifts add to the endowment for the Emergency Medicine Education program. Earnings will be used to support the educational needs of the residents and fellows who train at Corewell Health East working alongside our physicians. A sizable portion of the proceeds of the endowment support our house officers to pursue educational and scholarly opportunities during their training.

**66614 CHE Infectious Disease Education - Royal Oak**

Supports the educational needs of the Infectious Diseases Section and funds an annual lecture focusing on epidemiology and infection prevention topics.

**66625 CHE Iverson Learning Center for CHE Eye Institute Residency Education**

Supports resident and fellow education, including equipment, educational aids, travel, and research.

**69316 CHE Jay B. Hollander Urology Resident Excellence**

Supports the endowment for the Jay B. Hollander Urology Resident Excellence Fund. Earnings support continuing education and other unmet needs of the Urology Residency Program. Many of the initiatives provided through this fund have no other source; charitable philanthropic dollars are vital.

**81114 CHE Medical Education General Fund – Dearborn, Taylor, and Wayne**

Supports maintaining leadership in advanced medical education for our physicians and residents.

**81113 CHE Medical Education Fund - Farmington Hills and Trenton**

Supports maintaining leadership in advanced medical education for our physicians and residents.

**67318 CHE Oakland University William Beaumont School of Medicine Scholarships**

Supports medical student scholarships to make our medical school competitive nationally and attract the best and brightest students. The fund supports our medical students throughout their education.

---
