

## Corewell Health System Leadership

### **Tina Freese Decker** | President & CEO

Tina leads more than 60,000 colleagues of an integrated health system that strives to provide simple, affordable, equitable and exceptional coverage to millions of Michigan residents.

### **Matthew Cox** | Chief Financial Officer

As Chief Financial Officer, Matt leads the system finance team with a focus on making care and coverage affordable while ensuring the financial integrity of the system and its divisions.

### **Carlos Cubia** | Chief Inclusion, Equity, Diversity and Sustainability Officer

Carlos is responsible for inspiring and defining the systemwide transformational and innovative inclusion, equity (inclusive of health equity), diversity and sustainability strategies to drive the organization toward its goals of transforming health for the communities it serves, improving health and health equity, and fostering a culture of belonging.

### **Darryl Elmouchi, MD** | Chief Operating Officer, Corewell Health and Interim President, Corewell Health East

As chief operating officer, Darryl leads strategy, operations, clinical care delivery and financial performance for Corewell Health's entire clinical enterprise. He also serves as interim president of Corewell Health East and as a member of the system leadership team at Corewell Health.

### **Loren Hamel, MD** | President, Corewell Health South

Loren leads care delivery for three hospitals, 53 outpatient locations, telehealth initiatives and approximately 500 independent affiliated and employed physicians in Southwest Michigan. He also serves as Strategic Advisor to Corewell Health.

### **Jeremy Harper** | Chief Marketing and Consumer Experience Officer

Jeremy leads several teams at Corewell Health, including insight and analytics, consumer marketing, consumer experience, corporate and internal communications, and community relations.

### **Jason Joseph** | Chief Digital and Information Officer

Jason leads strategic and operational information services with a primary focus on simplifying and enhancing the health care experience for the system's patients, health plan members, teams and communities. He also leads the system's efforts in cybersecurity, data and analytics, clinical technology, and emergency preparedness.

**David Leonard** | Chief Legal Officer

As Chief Legal Officer, David leads the legal and government affairs functions for the system and its divisions, and advises the system's governing boards and executive leadership regarding legal, legislative, regulatory and governance matters. He is focused on eliminating health disparities and collaborating within and beyond the system to advocate for more equitable systems and practices.

**Tracie Morris** | Chief People Officer

Tracie is integral in developing inspirational and innovative people strategies that propel the organization forward to thrive in a vibrant and inclusive culture. She champions programs related to learning, development, recruitment, retention, culture and well-being.

**Alejandro Quiroga, MD** | President, Corewell Health West

Ale leads strategy, operations, clinical oversight and financial performance for 11 hospitals, 120 outpatient locations, telehealth, a large continuing and home care enterprise, and a medical group of 2,000+ provider members in West Michigan. He also serves as a member of the system leadership team at Corewell Health.

**Praveen Thadani** | President, Priority Health

Priority Health is a \$5 billion health plan that is nationally recognized. With over 1.2 million members, Priority Health is the second-largest sponsored plan in Michigan and the third-largest provider-sponsored health plan in the U.S.

As president, Praveen champions Priority Health's efforts to provide value to the health plan members and ensure consumers have what they need to get, be and stay healthy. He also serves as a member of the system leadership team at Corewell Health.
